Term Paper

Choose any social or ethical issue from the text or from the catalog description of the course. Research the topic using at least three scholarly references – journal papers, conference papers and/or books. If you are unsure, ask the library reference desk. You may use Wikipedia and other non-scholarly sources as supplements to your scholarly references. Take a position on the topic and defend your position.

Deliverables [last].[first]_[deliverable].pdf:

1. **24.Mar Proposal:** one or two pages proposing your topic and your references
2. **12.April Rough Draft:** A working draft of your paper
3. **26.April Final Paper:** 2500+ word paper
4. **1.May Presentation:** present your paper to class in lieu of final

Considerations:

1. Abstract
2. Introduction
3. Thesis
4. Proof of thesis
5. Discussion
6. Conclusion
7. References
